

Redcar Borough Park B.C.
Indoor Leagues, Season 2010/2011.
Entry form

To all team leaders and prospective team leaders

Please indicate by ticking on the pro-forma below, the days and leagues that you wish to enter teams in, for the indoor season starting September 2010. Teams should only enter one section of any particular league, for example, in the mens 2s, 3s and 4s and ladies 3s.

New teams are also invited to join any of the leagues.

A specimen programme is enclosed. It is based as far as possible on that of the current season. Some league sections may run over two 2hr sessions if the number of entries is greater than nine teams.

Entries are also invited for the Invitation Sunday Double Rinks league, played from 5 – 7pm. This league is open to other clubs and players need not be members of Borough Park to participate. Teams would not play every week and the actual number of matches will depend on the entries received.

Please fill in this section, tear off and return to Alan W Jones, Indoor Secretary.
